

Arkansas Governmental Manager (AGM)

The Arkansas Governmental Manager (AGM) program provides management training to middle and upper level managers in state and local government and nonprofit agencies. The AGM designation is attained upon completion of six two-day courses and an accepted project plan.

Certified Public Manager® (CPM)

To further advance their professional development, AGM graduates are eligible to receive the Certified Public Manager® (CPM) designation by completing five additional courses, documenting 146 contact hours and successfully passing the national test. CPM graduates are eligible for fellow status in the American Academy of Certified Public Managers.

Certified Volunteer Manager (CVM)

The Certified Volunteer Manager (CVM) program fosters professional excellence in volunteer management by providing quality leadership training for managers and administrators of volunteers and volunteer programs. Six two-day courses and an approved project narrative are required for graduation.

Certified Employment Manager (CEM)

Certified Employment Manager (CEM) is designed for management personnel in job training and employment agencies, as well as for those front-line performers who influence the public's perception of an agency. Nine two-day courses and a final examination or project plan are required for graduation.
